---

## Property Ownership

|   |
|---|
| Is the applicant the current property owner?                    |
| If No, property owner's name:                                   |
| Phone (If Different from above):                                |
| Email:  |
| Does the applicant have legal permission to enter the property? |
| If No, applicant will be required to secure access.             |

## Assessment Activity and Background

|   |
|---|
| What assessment is requested?                                     |
| Will the site be part of a property transaction?                  |
| Is petroleum contamination suspected?                             |
| What are the potential contaminants at the site?                  |
| Have there been past environmental investigations at the site?    |
| How and when did contamination occur?                             |
| Has there been involvement of state or local regulatory agencies? |
| Date to complete assessment by:                                   |

## Property Reuse and Redevelopment

|   |
|---|
| Describe the anticipated reuse or redevelopment of the property.  |
| Describe how site reuse/redevelopment will benefit the community (e.g., creation of jobs, greenspace, parks, workforce housing, catalyst for further redevelopment, etc). |
| Will the property be sold or transferred to a different entity?   |
